

Second hand uniform sale – how it works

Donations

If you would like to donate any items to the uniform sale, please drop them off at senior school reception prior to the sale and we will do the rest.

Items to sell

If you would like to sell any items, please label them with

Size

Mobile number

Price

Please see the pre-prepared label sheet that you can print off. Attach one label to the outside of each item and leave them at senior school reception.

If your item is sold – the KSPA will deduct 30% of the selling price and then leave the balance in an envelope for you to collect from reception. You will be informed by text message when your money is available for collection so please ensure you leave a mobile number.

If your item does not sell – all unsold items must be collected at the end of the sale. Any items not collected will be considered as donations for the next sale.

Please do not leave items of clothing with instructions for us to price up and sell on your behalf, sadly we do not have the time to do this on the day of the sale. Any items without labels will be considered as donations.

Many thanks for your help and cooperation,

The King's School Parents' Association
