THE KING’S SCHOOL

King’s is an academically selective, co-educational independent school originally founded in 1541 for the ‘poor and friendless’ children of Chester. Almost 500 years later, King’s is a thriving, dynamic and forward-thinking school of 1100 pupils that is considered to be one of the very best of its kind in the country.

At King’s we aim to make the very most of every individual student in the school, both academically as a selective school with a great tradition of scholarship, but also in terms of character development, confidence and wellbeing. This is achieved by a broad curriculum, extensive co-curricular programme, excellent pastoral care and highly committed and professional staff. We want our pupils to remember their time at school with real fondness whilst relishing the prospect of successfully making their mark on the world and leaving it a better place.

The school enjoys a spacious and well-resourced site on the southern outskirts of Chester, having moved from a city centre location in 1960. Our new, state-of-the-art infant school, Willow Lodge, was built 3 years ago with the Junior School being impressively extended a year beforehand. There is a major site development plan in progress for the Senior School that has recently started with the construction of a new £5million Sports Centre. The school retains close links with Chester Cathedral where it holds regular services, including a traditional Service of Nine Lessons and Carols at Christmas.

King's comprises the Senior School (ages 11-18), the Junior School (ages 7-11) and the Infant School (Willow Lodge, ages 4-7). There are currently 760 pupils in the Senior School (220 in the Sixth Form), 248 pupils in the Junior School and 121 in the Infants, supported by almost 250 staff (teaching and support). In 2017 the students achieved 81% A*-A at GCSE and 87% A*-B at A level.

Further information about the school can be found on our website: www.kingschester.co.uk
THE JUNIOR SCHOOL

The Junior School accommodation and extensive playing fields are adjacent to the Senior School. In addition to our facilities in the Junior School we also routinely use the Vanbrugh Theatre, the swimming pool, the Senior School sports hall, a floodlit AstroTurf surface and eight tennis courts.

A major £1.5 million extension has recently been added to the Junior School. The Learning Centre comprises specialist facilities in Art, DT and Science and a library.

There are currently 248 pupils across the four national curriculum years 3 to 6. Numbers of girls within the school is increasing yearly and currently represent 46% of the Junior School pupil population. There are three forms in each year. Numbers in the lower forms are currently at a maximum of 20 which increases to a maximum of 24 by later age additions. The majority of pupils joining at J1 (year 3) are from Willow Lodge and external pupils are admitted by entrance tests. Appropriate competence is expected in maths and English but above all we look for the potential to do well. Nearly all Junior School pupils join the Senior School when they are 11 following an assessed entry procedure, based upon internal tracking.

There are 16 full-time members of teaching staff, including the Head of Willow Lodge and the Junior School, the Deputy Head and the Director of Studies, and three part-time. Additionally, there are two teaching assistants, visiting staff who teach various activities and four lunchtime supervisors.

The School Community
Each pupil is seen as an individual who is a valued member of the school family. We aim to understand their needs and each form teacher gets to know their charges well and cares for their wellbeing and progress. Pupils are encouraged to consider the welfare of others as much as their own needs both within the school and outside. Parents are encouraged to be involved in monitoring their children’s progress. Parents’ evenings are held regularly and there are many opportunities for families to be involved in school life.

Fostering Spiritual Awareness
Assembly is held four mornings a week and is one expression of the corporate life of the school community. Through assemblies and cathedral services pupils of all religious persuasions can consider spiritual and moral issues that may confront them in everyday life.

Culture, Leisure and Recreation
There is an extremely lively tradition in music. The orchestra and choir perform regularly and every pupil participates in the annual concerts. Each year there are two drama productions and all pupils above the first year can become involved. Clubs and activities take place during lunch hours when there is also plenty of time for play.

Sporting Opportunities
The school has extensive playing fields and few primary schools can offer the range of games available. Many competitive sports fixtures take place during the week. Selection for teams is on merit and all pupils can be considered. There is a full inter-house sporting programme for all and competitive and recreational opportunities in football, cricket, swimming, tennis, athletics, cross country, biathlon, hockey and netball.
